READINESS ASSESSMENT FOR DISTANCE LEARNING

Dear Parent/Guardian,

Peace of Christ!

Thank you for considering Naga Parochial School as the place of learning for your child during this period of anxiety in the face of a global pandemic. As we would like to give the best quality and holistic Catholic education to your child, we would like to know how he/she is ready for distance learning. Your answers to the following items will help us to determine what your child needs in order to succeed in the new normal way of learning.

Sincerely yours,

NPS Administration

Instructions: Choose the most accurate response to each statement. Then check the box with the preferred learning modality which you think can best fit for your child.
